# New SJC Alumni Officers Map Program At Summer Board of Directors Meeting

Members of the Alumni Board of Directors were on campus July 26 for their annual summer meeting. The Board, which establishes policies and directs the operations of the 7,000-member Alumni Association, met with Fr. Charles Banet, president of the College, during the morning session. Fr. Banet told the Board members of the College's plans to improve the physical plant in the coming year, notably through the construction of a water filtration plant and redecorating the Raleigh Room in the student center.

During the afternoon session, the Board's newly elected officers were installed. Charles Vietzen '57 of Chicago assumed his role as president of the Alumni Association. His four vice-presidents are Bernard Balas '57, for alumni relations; Keith Snyder '56, for financial support; Dr. Louis Abbott '50, for academics and recruiting; and Phil Wilhelm '63, for campus relations. New members

coming on the Board were Dave Eckerle '65, of Jasper, Ind., Art Barrientos '49 of Ferguson, Mo., Jim Hattemer '65 of Cincinnati, Chuck Ryan '65 of Chicago, Phil Kenney '64 of Indianapolis, Joe Dulin '57 of Detroit and Joe Gurgone '59 of Glenwood, Ill.

The Board accepted the programs of the four vice-presidents for the coming year. In the area of alumni relations, plans call for increased alumni activities in Indianapolis, Detroit and Cincinnati, and Board members will begin a program of personally contacting alumni throughout the nation. The Board's efforts in financial support will concentrate on increasing alumni donations over last year's record \$49,000 through local phone-a-thons, mailers and recruiting new members for the Fellows Program. To improve alumni relations with the campus, the Board will invite student representatives to all meetings and an alumni committee will meet with student leaders three times a year. And in the area of academics and recruiting, the Alumni Board will continue

to recognize outstanding students and actively participate in recruiting new students.

In other business, the Board passed resolutions expressing the gratitude of the Alumni Association to three men: Fr. Paul White, executive vice-president of the College, for representing Saint Joseph's at numerous alumni events; Mr. Gary Smith, band director at Saint Joseph's, for his accomplishments and offering the band's services for the fifth annual President's Dinner; and Mr. Clarence Gramelspacher, trustee emeritus, for his financial help with the annual Southwestern Indiana Alumni Chapter dinner-dance.

Among those attending breakfast (pictured below) were alumni, parents and friends of the College.

### Northwest Indiana

About 35 alumni attended the Northwest Indiana Alumni Chapter's social on June 14 at Puntillo's Lounge in East Chicago, Indiana. A charge of \$9.00 a couple covered a buffet dinner, cocktails and dancing. Fr. Paul White, executive vice-president of the College represented Saint Joseph's staff at the event.

### Fort Wayne

Members of the Fort Wayne Alumni Chapter were invited to a picnic at Gene Overmeyer's lake home on July 26. The picnic was sponsored by Saint Joseph's students who are members of the campus Fort Wayne Club.

## Southwestern Indiana's (J.O.E.) Alumni Dinner

Officers of the Southwestern Indiana Alumni Chapter pose here with the College's current president and immediate past president at the 19th annual chapter dinner-dance June 14 in Jasper. Front row: Maury Gutsell '42, College President Fr. Charles Banet, Bernie Hoffman '43, and John Spindler '65. Back row: Dave Eckerle '65, Bill Krodel '50, and Fr. Raphael Gross, past president of Saint Joseph's and director of the Fellows.

Alumni Board member Bernie Hoffman '43 was one of ten alumni who received their Fellow certificates at the dinner. The Southwest Indiana Alumni Chapter has nearly 100% participation in the Fellows Program, by far the largest number per capita of any Saint Joseph's alumni group. Because of their interest in Saint Joseph's, alumni Fellows have each pledged \$1,000 to the College over a five-year period.

Winners of the table piece raffle were Mr. and Mrs. Thomas Daily of Washington, Ind. Mr. Daily is a member of the class of '17 and was the oldest alumnus at the dinner.

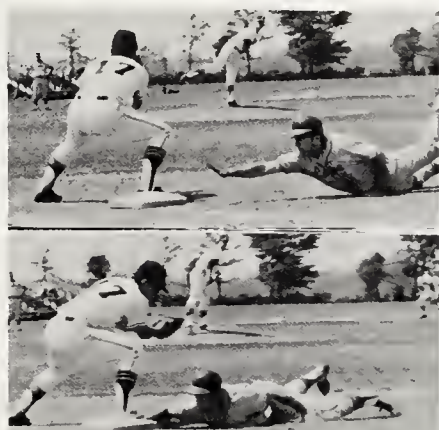

Fr. Charles Banet, president of the College, told the chapter members about Saint Joseph's first year of coeducation and the College's plans for the future. C. U. Gramelspacher, trustee emeritus, was guest of honor.

## Sports

### Baseball Postscript

Coach Dick Pawlow's baseball Pumas began the season by scaring everyone into believing Saint Joseph's would have one of its worst sports years on record. After the nightmare of last fall's football season and the basketball team's disappointing 12-12 record, there was only one hope left for saving any face at all in the sports department. With confidence, Saint Joseph's pointed to its baseball team which year after year has made respectable showings, this despite the fact that baseball is the one major varsity sport for which the College offers no grant-in-aids.

But confidence gave way to grief as the Pumas promptly lost five of their first eight games. The season's opener went to the University of Kentucky, 4-2, and then David Lipscomb defeated the Pumas 10-5. Saint Joseph's took two from Union College, 6-0 and 8-6, but then lost two to Butler, 4-1 and 4-0. An 8-2 victory over Franklin was nullified by a 3-1 loss to Evansville.

These sequential photos show a Lewis player successfully avoiding a pickoff during the doubleheader with Saint Joseph's. The Pumas won both ends of the twinbill.

With the Pumas' complacency destroyed, and with the benefit of some warm weather practice, the team went on a seven-game winning streak that saw them defeat Evansville, St. Procopius, DePauw (twice), Wabash and Huntington (twice). Confidence was restored.

The team suffered four more losses during the season, twice losing to Valpa-

raiso and once to Illinois and Indiana State. But a double-header victory over one of college-baseball's powerhouses, Lewis College, and a win in the season-closing game against Indiana State gave the Pumas a 13-9 record and Saint Joseph's a varsity team with a winning record.

### Man of The Year

Saint Joseph's Athletic Department chose Little All-America football linebacker Chuck Farber as the Pumas "J Man-of-the-Year." Farber, who ranks as one of Saint Joseph's all-time great grid-ders, concluded a brilliant varsity career last fall while performing as the heart of the Saints' defense.

### Minor Sports (Ahem . . .)

Besides baseball, three other spring sports, sometimes called minor sports, have varsity rank at Saint Joseph's. These sports—golf, tennis and track—provide interested students with an opportunity to compete on the varsity level. The College has never been known for its strong teams in any of these areas, and this year was no exception.

Of the three, the tennis team was the least successful, losing 12 matches with-

out a victory. Seven of the losses were shut-outs. The track team fared only a little better by placing a slim second in one meet and placing last in its other three. The golf team, with victories over Evansville, DePauw, Wheaton and Valparaiso (twice), made the best showing of the minor sports. There were, however, nine losses and a tie to give the team a 5-9-1 record.

## "Gale Carries The Mail"

When the Chicago Bear veterans began their summer camp drills at Saint Joseph's, all-NFL right back Gale Sayers (no. 40) was among them. The above photo was taken during one of the Bears' scrimmages, and Sayers' running ability indicated he has fully recovered from last season's knee injury and consequent surgery. With Sayers is quarterback Jack Concannon. The Bears will break camp in late August for the pre-season exhibition schedule. It is the 26th year they have made Saint Joseph's their summer home.

## 'Trip Out' This Winter With SJC Students

Cost for the European tour is \$645 with a \$100 deposit required by December 1. Students at Saint Joseph's may earn three hours of credit for the trip.

The Mexican study tour will leave Chicago January 8 and return January 21. It includes three days in Acapulco and ten days in the Mexico City area. For the student, two or three hours of credit may be earned, depending on the research paper. The cost for the tour is \$399 with a \$75 deposit required by December 1.

For more information on either tour, write the Department of History, Saint Joseph's College.
